

INDUSTRIAL SOLUTIONS LTD (ISL) - DISCIPLINARY & EXIT POLICY

Section 1: Purpose & Scope

This document defines corporate expectations, behavioral standards, and standard operating procedures for disciplinary actions and employee exits. It applies to all permanent, contractual, and trainee staff.

Section 2: Code of Conduct & Guidelines

1. Professionalism: Employees must maintain strict confidentiality regarding ISL assets, source code, and client data.
2. Attendance & Shifts: Unauthorized absence for more than 3 consecutive days without prior approval will result in an immediate disciplinary inquiry.
3. Workplace Safety: Zero tolerance policy for harassment, safety violations, or unauthorized access to restricted server rooms and administrative portals.

Section 3: Corrective Actions & Progressive Discipline

- Step 1: Verbal Warning issued by the Department Head for minor first-time infractions.
- Step 2: Written Warning issued by HR, placed permanently in the employee file.
- Step 3: Suspension or final review for persistent non-compliance or major security breaches.

Section 4: Exit & Offboarding Procedures

- Notice Period: Permanent employees must serve a 30-day notice period (or forfeit equivalent salary). Department Heads must ensure complete handover of system credentials, repository access, and company assets before the final settlement.
